Date of discussion: 16/09/2025

Total Participants: 25 [25-women]

★ Challenges

1. Girls do not go to high school due to poverty and also for tuition
2. Girls also do not go to school due to social problems like uneducated people

★ Solutions

1. Provide the bicycle for girl for going to long distance school
2. The main solution for social uneducated people is first educate the people for studies of children
